

Lee County Sheriff's Department TRIAD
"Seniors and Law Enforcement Working Together"
Spring Newsletter 2016

I hope this newsletter finds each of you well and in good health. We hope that this year we will bring many fun and information opportunities for you!!

1. We have received our grant from the MS Department of Public Safety – Leadership Council on Aging! We have been approved for a certain number of weather radios, carbon monoxide detectors, rechargeable LED safety lights (nightlight/flashlight), and security window/door alarms. If you are interested in obtaining any of these items, free of charge, please contact Kamisha McKinnon at 680-5784.
2. We are beginning an email newsletter for those that would rather receive their updates, emails, and even alerts through email. If you are interested, please email: LeeCoTRIAD@gmail.com to be added.
3. Worried about weather changes during the spring and fall? There is a FREE weather warning that is offered by Three Rivers that automatically calls your phone in the event of impending weather. You can visit <http://trpdd.com/codered/> to sign up for the alerts or call our office and we will be glad to help you with registering. (680-5784)
4. We are beginning a RING-A-FRIEND program. In the event something tragic was to happen in the county (tornado damage etc...) and you would like someone to check on you, we will. Simply call us at 680-5784 to be added to the list to be checked on.
5. April 18 - There will be a Senior Driver Safety Program for anyone 55 yrs old and up. For more information on this event, please contact Ann Stanford at Renasant Bank at 680-1107. (Cut-off date to register is April 13th)
6. April 29 – We will once again host a RX/OTC drop off event here at the Sheriff's Department at 510 N Commerce Street in Tupelo. Between the hours of 9am and 4pm you can bring unused, expired, or no longer needed medications and we will dispose of them.

As always, please feel free to contact me or my office if we can do anything to assist you, or if you have any ideas that could help us help you.
